

The last car you own ... new mobility policies

Peter Sonntagsbauer
Active Solution AG

The last cars we own.....

So what ?

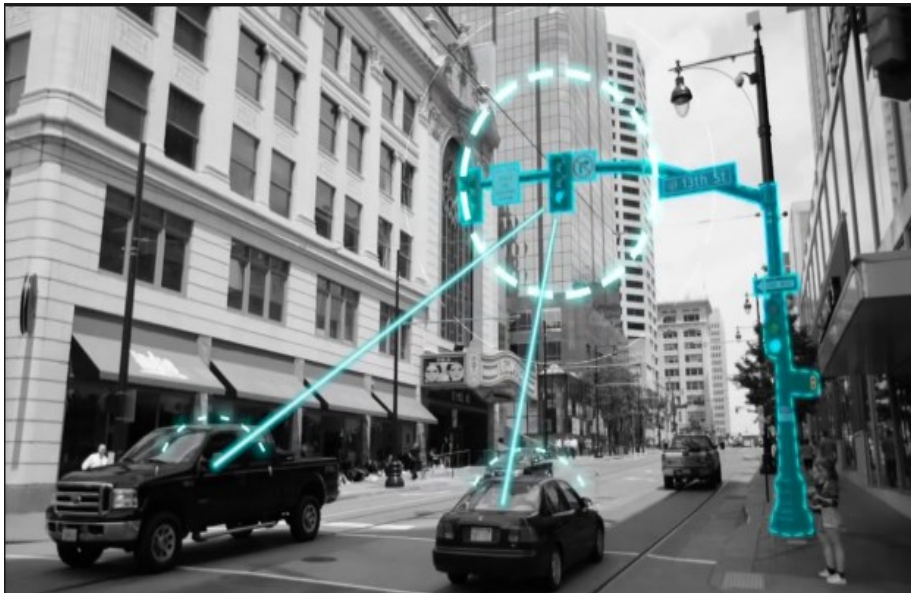

Probably not, but

- Cheap
- Everywhere
- Anytime 7 x 24
- Any size

Huge changes for cities ahead !

No income from parking fees

Smaller roads for cars

More space for pedestrians

What will happen to classic public transport like buses ?

Huge changes in urban planning

Many questions

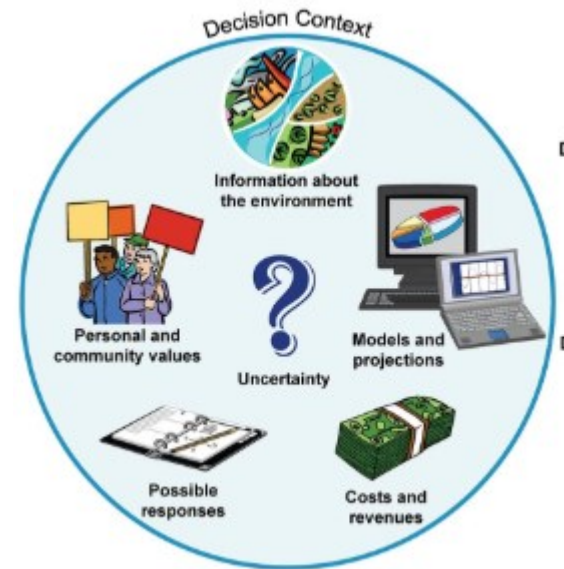

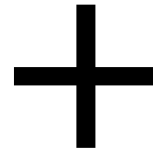

Will we again have answers too late ?

SMARTGOV Tools and methods can help !

Social Media Tools for
Engagement of
stakeholders

Fuzzy Cognitive Maps as a
Decision support tool
